## Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed for ever: nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

## DEATHS.

### FAULKNER

Louis Faulkner, son of J. D. Faulkner, died at his home in this city, Thursday evening at 5 o'clock. Some ten months ago Mr. Faulkner contracted typhoid fever and had not been well enough to be up since that time, but had grown gradually weaker and weaker until death relieved his long suffering. To his wife and family we extend our sincere sympathy in this their hour of sorrow.

### Baptist Church Revival

A Revival will begin at the Cumberland River Baptist Church, next Sunday morning, conducted by the pastor, Rev. Russell, assisted by Rev. Martin. It is hoped that from the very first these services will be well attended and that good may be accomplished.

### Luke McLuk Says

What has become of the old-fashioned man who used to wear a new paper collar every Sunday?

If you imagine that women haven't a sense of humor just take a look at the hats they are wearing.

Any woman who has a 40-inch waist can tell you that the waist of a Perfectly Formed Woman should measure forty inches.

Since the vacuum cleaner displaced the broom a man can't find a blame thing but his wife's hairpins to clean his pipe with.

The lad who couldn't tell you the name of the Vice President is the same fellow who can tell you how to run the Government.

Before you get her she can say things with her eyes that make you feel funny all over. And after you get her she can say things with her mouth that make you feel funny all over.

Dr. Henry Louis Smith, Pres. of Washington and Lee University, Lexington, Va., says: "In the last few years we have used VICK'S Croup and COLIC SALVE constantly, and our belief in its efficiency has grown with continued use and I do not now rely on anything else, and have discarded the use of vapor lamps, internal medicines, and everything of the kind. ## THE GROUCH

The Great Creator in His wisdom created many men of many minds and temperaments knowing that if the sons of men were alike wishes and desires it would lead to unending strife.

He created well, for man is the noblest work of God. But in some way there crept into the world a creature God did not create—a thing self-made, be it male or female, that is hated, despised and abhorred; a thing self-created, self-pitied and abnormally self-loved.

This self-created creature is the chronic grouch that walks here and there in every town and community searching for happiness—that he may destroy it. Flowers and children, because they represent beauty and love, he detests. He reads as he runs that all men are liars and all women but creatures of evil.

In summer he reviles the bright sunshine and hates the green hills. In winter he reviles the cleansing snow and the purifying frost. The bitterness of gall and wormwood is within his heart.

Children flee from him and his wife can be classed among the martyrs. Men shun him and the world hates him. From an early age he walks this earth spreading unhappiness and disbelief—a maker of evil and discord.

Let us throw the X-ray of self-examination into our own hearts and search out the little microbe that has a tendency to multiply and produce, in time, the hated grouch. There is too much love and sunshine in this old world of ours to spoil it with the canker of selfishness.

Lost—Between Judge Davis' corner and I T Beddow's residence on Main street—a bunch of keys, finder will be suitably rewarded for returning same to Advocate Office.
